Section 3 – External Auditor Report and Certificate 2020/21

In respect of **BLUNTISHAM INTERNAL DRAINAGE BOARD – DB0011**

1 Respective responsibilities of the body and the auditor

This authority is responsible for ensuring that its financial management is adequate and effective and that it has a sound system of internal control. The authority prepares an Annual Governance and Accountability Return in accordance with *Proper Practices* which:

- summarises the accounting records for the year ended 31 March 2021; and
- confirms and provides assurance on those matters that are relevant to our duties and responsibilities as external auditors.

Our responsibility is to review Sections 1 and 2 of the Annual Governance and Accountability Return in accordance with guidance issued by the National Audit Office (NAO) on behalf of the Comptroller and Auditor General (see note below). Our work does not constitute an audit carried out in accordance with International Standards on Auditing (UK & Ireland) and does not provide the same level of assurance that such an audit would do.

2 External auditor report 2020/21

On the basis of our review of Sections 1 and 2 of the Annual Governance and Accountability Return (AGAR), in our opinion the information in Sections 1 and 2 of the AGAR is in accordance with *Proper Practices* and no other matters have come to our attention giving cause for concern that relevant legislation and regulatory requirements have not been met.

Other matters not affecting our opinion which we draw to the attention of the authority:

The annual internal audit report focuses on a series of internal control objectives covering an authority's key financial and accounting systems and concludes whether, in all significant respects, the internal control objectives were being achieved throughout the financial year to a standard adequate to meet the needs of the authority. We note that the internal auditor has not provided a conclusion on internal control objective L regarding the authority's compliance with the publication requirements of the transparency code for smaller authorities ('the Code'). The annual internal audit report will inform the authority's response to assertions 2 and 6 in the annual governance statement and in respect of compliance with the Code, assertion 3. As a result, the authority must ensure that assurance that has not been provided via this control objective has been sought elsewhere.

3 External auditor certificate 2020/21

We certify that we have completed our review of Sections 1 and 2 of the Annual Governance and Accountability Return, and discharged our responsibilities under the Local Audit and Accountability Act 2014, for the year ended 31 March 2021.
