

MIDDLE LEVEL COMMISSIONERS

PLANNING/CONSENTING OFFICER

(Salary Guide £25,269 - £35,841 dependant on experience and capability)

The Middle Level Commissioners are a navigation, water level and flood risk management authority based in the market town of March in north Cambridgeshire, which, in addition to its own functions, also provides a consultancy service for 33 local Internal Drainage Boards.

An opportunity has become available to join the Commissioners' dynamic Technical Services team to assist with the delivery of development and consenting management and minor works schemes.

This varied and challenging role requires a reliable, self-motivated person with the ability to take initiative and work both independently and also as a part of a team. Relevant experience in the civil engineering sector is preferred but is not essential. A current driving licence would be beneficial.

The position offers a competitive salary, a minimum of 25 days annual leave plus public holidays and, where appropriate, a user's car allowance.

Further details, together with the application form, can be found on the Commissioners' web site <https://middlelevel.gov.uk/vacancies/> or, alternatively, please contact us using the details given below:
